

Dear Kaisiki Aumüller and Uli Aumüller;

Thank you for your letter. As for the time Yoko thinks that the later part of June would be best. Also, I just talked with Charles Amirkhanian and he said that he has talked with you and found that the date would be the same. I hope that you are paying his fare and about a week of staying.

As for other people in the film there is a young composer who is my helper. As for other people I can't think of anyone else except Yoko and my son David Macoto.

I look forward to the meeting.

Best regards,

C M H
